Dear Arthur

Sorry about the delay in paying you. Your bill arrived when I was in Uzbekistan and I had one day in London before heading for Kiev. I am now back (till the end of the week) and I have made the transfer to you.

It has been a pleasure working with you. Thank you for an excellent job, good conversation and enjoyable company. If you ever need any references, please do not hesitate to ask.

Please could you send the certificates to my home address.

Once again many thanks and best wishes.
